Prof Challenges For Jump Contest

Dr. Joseph McGowan has issued a challenge to all campus clubs, organizations, and individuals, who are willing to enter a frog in a campus frog jumping contest.

The winning frog is to go to the Calaveras County Frog Jumping contest. Thus far the Press Club is the only organization to accept the challenge, but there is still time to enter frogs. Entry blanks can be obtained from the Hornet office any time until Thursday, May 7.

The contest will take place on Friday, May 8, at three o'clock. It will be an added feature of the Jamboree, and will be free of charge.

Hooper Takes Gov't Post In SA Commissioner Battle

Newly elected Student Association President Fred Jensen announced yesterday the appointment of Tickey Teale to the position of SA secretary.

By NANCY McCAMBRIDGE

Twenty five year old veteran Fred Jensen, candidate refusing any factional backing, rolled to a landslide victory for the Student Association presidential post in Wednesday's election. Trailing Jensen by 75 votes was Harry Veale. Dwight Dickey was next with 34 and John George polled 15.

A total of 261 voters affirmed the vice presidency to general elementary education major Carolyn Hauge. Clayton Nakawaga, business administration major from Newcastle, took the third SA office of treasurer with a 257 total count.

Cal Chancellor Slates Talk Here

Dr. Clark Kerr, chancellor of the University of California at Berkeley, will be on campus tomorrow to speak to members and guests of Phi Delta Kappa, national honorary education fraternity. The organization will hold its annual ladies night banquet in the cafeteria at 6:15 p.m.

Concessions Set, Prizes Secured For Jamboree

Among the concessions that will be seen at the Jamboree next Friday night are a ping pong blow, by Newman Club; a caricature booth with artists, Pro Artibus; prize booth, Bus Ad; basketball throw and bowling, Xi Theta Chi; throwing tennis balls at faculty, Faculty; dance, MENC; dart throw at caricatures, Press Club;

Psychological experiments, coke and hot dog concession, Psych Club; miniature golf, Green & Gold; egg toss, Kappa Sigma Kappa; kiddie corral, CSTA; dunking men booth, Jr. Class and Green & Gold; table hockey, Alumni; nail pound, WAA; ribbon sale, Buzz Club; and shoot burning candles with water guns, BASS.

The Jamboree Concession Chairmen are to meet on Tuesday, May 5, in the Ribera Room at 10 a.m. Al Villa, president of ICC, says materials needed for the various concessions will be discussed.

Time Slated

The Jamboree will begin at 7:30 p.m. and last until 10 p.m. The dance, sponsored by MENC, will begin at 9:30 p.m. and last until 12 p.m.

Some of the prizes are: sport shirts, merchandise orders, a portable radio, garden hoses, skirts, and many others. At a recent meeting of ICC, John Krier, coordinator of solicitation of prizes, said that merchants were very cooperative and that the prizes are more valuable than is usually the case.

Goal Set

Goal for the SLFD is set at least eight hundred dollars.

A "thermometer" will be posted during the week to show gains that have been reached.

A total of 88 loans were made during the past school year. During the past three years, about half of the current loan fund was contributed by the Student Association through previous Student Loan Fund Drives.

The present loan funds are still not large enough to take care of students who wish large and long-term loans which could be paid back after graduation. At present, the loan is set up to take care of emergencies only.

Heavy Demand for Teachers Caused by Increased Enrolments

The demand for elementary school teachers is greater for 1953-54 than for 1952-53, according to U. S. Department of Labor.

More than a million additional children will enter the elementary schools and add to the already swollen enrollment. The supply of new teachers to meet this great demand is slightly lower than it was in 1952-53.

Approximately 35,000 college students will meet the requirements for grade-school teaching in June, and many times that number are needed for new positions and the replacement of experienced teachers leaving the profession.

Supply Down

At the high school level the supply of newly trained teachers has dropped significantly each year since 1950. This year many vacancies exist in such subject fields as: home economics, girl's health and physical education, agriculture, industrial arts, and certain physical sciences. The demand for high school teachers is expected to rise slowly over the next several years and will reach extremely high levels near the end of the decade.

Salaries Increase

Salaries for teachers continue to increase. Average salaries for all classroom teachers for 1952-53 were about $3,400 with 13 percent averaging $4,500 or more. Average salaries of more than $4,000 were received by teachers in New York, California and Delaware; lowest average salaries were in some Southern States and States with a high percentage of rural schools.

COMING EVENTS

Monday—Psych club, Pro Artibus, Buzz club meetings, Activity Week.

Tuesday—Sociology club meeting; Jamboree concession meeting, Ribera room at 10 a.m.; Activity Week events.

Wednesday—Tennis match with Chico State at 2 p.m., McKinley park; Activities Week events.

Thursday—Rally, cafeteria; Activities Week events.

Congratulations

Congratulations are in order for those students who emerged victorious in the recent campus election. SSC welcomes the new officers and extends to them best wishes for a constructive, fruitful, and productive term of office.

Regardless for who individual tudents voted at the polls, it is urged that all students on campus lend their undeviating support to the present student body officers.

"In union there is strength," is a quotation which is justly applicable to campus political administration.

The Rover Boys

By BOB McMAHON and AL GRAY

Hail to the new chief and his council! The attitudes and ideas expressed by all of the candidates at the campaign were commendable. We hope our new officers continue to keep in mind that the welfare of the whole student body is more important than the selfish interests of a single department or organization.

Our big ears were flapping during the speeches, but we are happy to report that there was no mud-slinging by the candidates — although those April Showers created plenty of ammunition.

While we are passing out bouquets, we should like to give a handful of orchids and a bowl of werfs to SPEARS for their excellent management of our recent "fun nights." It was fun, kids. Also a bundle of halos to Jane Daniels and the rest of the crew who labored so long and hard to represent us at the Model UN.

Talent scouts please note: you missed a good bet for the cast of the opera Martha. Seems Dr. George Creel sang the baritone lead in at least one opera while he was attending Denver University. Anyone for a high C—average that is?

We predict that next year there will be a raise in the price of student body cards. The increase proposed by our treasurer-to-be, Clayton Nakagawa, would mean a substantial addition to our available funds. We will benefit through a pepped-up activity program—both on and off campus. Hats off to Courageous Clayton!

Nothing-no, nothing-beats better taste

and LUCKIES TASTE BETTER!
Cleaner, Fresher, Smoother!

Ask yourself this question: Why do I smoke?
You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.
Luckies taste better—cleaner, fresher, smoother! Why? Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco. L.S./M.F.T.—Lucky Strike Means Fine Tobacco.
So, for the thing you want most in a cigarette... for better taste—for the cleaner, fresher, smoother taste of Lucky Strike . . .

Be Happy-GO LUCKY!

The echo's heard the campus round,
So here's a tip from me:
It's Luckies for their mildness and
For extra quality!

COLLEGE STUDENTS PREFER LUCKIES IN NATION-WIDE SURVEY!
Nation-wide survey based on actual student interviews in 80 leading colleges reveals more smokers prefer Luckies than any other cigarette by a wide margin. No. 1 reason—Luckies' better taste. Survey also shows Lucky Strike gained far more smokers in these colleges than the nation's two other principal brands combined.

By JUNE SEWELL

SSC Clubs are busy planning their activities for the Student Loan Fund Week. Club meetings and parties have been scheduled by some SSC organizations.

Pro Artibus will meet at noon Monday in the cafeteria. Main topic of discussion will be the club's caricature booth at the Jamboree. At 12:30 the club will go to Room 203 in the Adm. building to hear a recording of Jose Ferrer in the famous "nose" scene from Cyrano de Bergerac.

BASS will meet on Tuesday, May 5, in LS-107 at 12:15 to discuss Jamboree plans, their next field trip, and a party.

Xi Theta Chi's pledge dinner will be held on May 16. The club will meet on May 4, in the Administrations Building 206. Entertainment will be provided by Gerald Lanning.

A party for the club members and guests will be given by **Buzz Club** tomorrow night in Mary Lou Armstrong's home.

A softball playday will be held at COP in Stockton on May 2. Attending will be Louise McMullin, Vee Ellen Robinson, Carolyn Hauge, Patty Lawson, Georgiann Pendleton, Marilyn Sposity, Joyce Anderson, Dee Killam, Jackie Phillips, and Jane Daniels.

The **Press Club** will hold a banquet at China Palace on May 16 for the club members and the alumni of the Hornet and Statesman publications.

Who got the most from our customer's dollar?

The employees?

NO! In wages, salaries and benefits, our employees received 14¾¢ out of every dollar paid in by Union Oil customers during 1952.

Our payroll, including benefits, totaled $50¾ million. Divided among our 8,756 employees, this amounted to an average of $5,810 per person.

The shareowners?

NO! Our profits in 1952 were $27½ million, or 8¼¢ of each customer's dollar. Of this amount, our preferred and common shareowners received 3½¢ per customer dollar. Total dividends paid to our 40,302 owners of common shares averaged $261.34 per person.

The remaining profits of 4¾¢ per customer dollar had to be returned to the business to help pay for replacement of worn-out equipment and necessary expansion required by the West's greatly accelerated demand for petroleum products.

The tax collectors?

YES! The federal, state and local tax collectors got 18½¢ of every dollar paid in by Union Oil customers. In other words, they got *more than five times as much* as the owners of the business and *one quarter more* than Union Oil employees.

The remaining 58½¢ of the customer's dollar was divided among the many costs of doing business: raw materials, transportation; interest on borrowed money; and wear and tear of facilities and exhaustion of oil and gas reserves.

To sum it up—1952 was the best sales year in our 62-year history. Yet the 40,302 owners of our business received only a fraction over 3¢ from every customer's dollar. That's far less than many people in this country believe goes to the owners of a big business.

Behind the pitching of Jim Warren, the senior class defeated the faculty by a 13-4 count in an intra-mural softball game played last Friday in back of the Field House. The series will resume this afternoon at 4 p.m. with faculty taking on both juniors and seniors.

Wednesday's baseball tilt with COP was canceled because most of the Tiger baseballers are also out for football spring practice. Sounds silly, but it's true.

Going into Tuesday's baseball game with the Aggies, Dick Renwick was leading the Hornets at the plate with a .419 average. Dick also topped RBI honors with 17.

Branch Rickey has often said that the success of a pitcher lies in the ratio of his strikeouts to walks. To date, Ducky Knezovich has wiffed 21 while walking only 5.

The only home track meet of the season will be held this afternoon at the El Camino High School oval. USF and Nevada will furnish the opposition for the Hornets. Both are considered strong teams, with USF favored to win.

Bay Area Linksters Drop Locals 15-12

San Francisco State won a close 15-12 golf match with State Tuesday at Haggin Oaks Course. Ken Frye fired a par-matching 72 to carry low score honors.

Other Hornets golfers who took part included Don Deckhoff, Joe Fernandez, Tom Sekul, John Bohl, Gorden Burgess.

State will meet University of Nevada in Reno this afternoon.

Hornets Dump Cal-Aggies, 5-2

Sacramento State's baseballers racked up their eighth straight triumph as they edged their way to a 5-2 victory over the Cal Aggie Mustangs last Tuesday in Davis.

State took an early 2-0 lead in the first on Dickey's single, a base on balls to Geyer, and a stolen base coupled with two wild pitches.

Georgis Homers

Chris Georgis homered in the fifth, and Joe Geyer doubled home Dickey in the same frame to give the locals a 4-0 lead. They added their final tally in the sixth on consecutive single by Pedretti and Renwick, and a fly ball off the bat of Jerry Kaeser, tallying Pedretti.

Score In Fifth

The Aggies picked up both their runs in the fifth on a base on balls and three following singles.

Pedretti and Renwick each singled twice to pace the Hornet attack.

Among the bright spots for the locals are broad jumper Gordy Fong and hurdler Bob Lynde. Fong will also run the 100 and Lynde the relay.

Others participating include George Brower, 880; Clarence Locke, mile and two mile; Steve Barooshian, sprints; Phil Flynn, high jump; Harry Veale, shot; Ed Gallaway, shot, discus and javelin; Herb Jotter, pole vault and shot; Dick Goodell, pole vault; and Ahmed Alie, javelin.
